ORDER

In these two writ petitions, two separate impugned orders dated 03.07.2023 relating to the financial years 2020-21 and 2021-22 are assailed.

2. The petitioner asserts that he is engaged in the business of dealing in copper waste and scrap of primary cells, primary batteries and electric accumulators. Pursuant to an inspection carried out at the premises, the petitioner was put on notice of alleged contravention of Section 16(2)(b) of the Tamil Nadu Goods and Services Tax Act, 2017 (TNGST Act). The petitioner responded to the notices issued in Form GST DRC-01A and Form GST DRC-01 and stated that ITC was not wrongly availed. In support of such contention, the petitioner placed on record the relevant ledger

W.P.Nos.677, 679 of 2024

accounts, tax invoices and E-way bills. Eventually, by the orders impugned herein, the explanation provided by the petitioner was rejected. These writ petitions were filed in the above facts and circumstances.

3. Learned counsel for the petitioner invited my attention to the impugned order and submitted that the documents filed by the petitioner to corroborate that the input goods were duly purchased and delivered to the petitioner were not taken into account by the Assessing Officer. In particular, he referred to the conclusion recorded at page 181, internal page 10 of the order.

4. Mr.TNC.Kaushik, learned Additional Government Pleader (Taxes), accepts notice on behalf of the respondents. He points out that a statutory appeal was available in respect of the impugned order. He also points out that the ITC claim was rejected for non submission of documents.

5. On examining the impugned order in respect of Issue No.1 relating to wrong availment and utilization of ITC, the following was recorded in respect of thereof in the operative portion of the order:

"Issue No.1 - Wrongly availed and utilized input tax credit:-

The tax payer raised his objections against this discrepancy noticed by stating that they had stated that they had actually purchased the goods from their suppliers and to drop the proposals. They have not submitted any records related to the movement of goods from the supplier's place to their business premises, mode of transport and records related to the physical movement of goods.

In the absence of valid supportive documents for the physical movement of goods the objections and records submitted is not supportive to their objections and hence the proposals for the levy of tax, penalty and interest are found to be in order and hence the proposals are confirmed."

W.P.Nos.677, 679 of 2024

WEB COPY 6. The above extract contains the findings that the petitioner did not submit any documents relating to movement of goods, mode of transport and physical movement of goods, and that the proposal for levy of tax, penalty and interest is found to be in order as a consequence.

7. The petitioner has placed on record invoices and E-way bills relating to the relevant purchases. The E-way bills contain details of not only the products purchased by the petitioner but also the vehicles used for the movement of goods. The impugned order does not contain any discussion on the documents produced by the petitioner to corroborate the assertion that legitimate purchases were made and point out deficiencies or inadequacies. On that ground, the impugned order calls for interference. Therefore, the impugned orders dated 03.07.2023 are quashed. As a corollary, these matters are remanded for re-consideration. The second respondent is

W.P.Nos.677, 679 of 2024

directed to re-consider the matter and issue a fresh assessment order after providing a reasonable opportunity to the petitioner.
